WORK EXPERIENCE

Loan Originator Spruce Mortgage

06/2014 – 02/2017

Independent Mortgage Broker based in Burlington, Vermont with branches in Raleigh, North Carolina and Fort Myers, Florida.

Achievements/Tasks

- Maintained an active originator license in Vermont, Florida and North Carolina.
- Leveraged previously formed relationships to build a book of business with a focus on first time homebuyers.
- Implemented an honest and customer focused mentality on every loan I worked on.

Lead Estimator Evergreen Roofing

06/2001 – 05/2012

Commercial roofing company.

Burlington, Vermont

Achievements/Tasks

- Leveraged my knowledge of construction and commercial roofing to win many prominent roofing bids in Vermont.
- Gained experience and knowledge on how to enjoy and thrive in an extremely competitive and fast paced environment.
- Worked in the field when needed to make sure the jobs were completed on time and within budget.

PERSONAL PROJECTS

Vermont Startup Tracker (12/2018 – 12/2018)

- Capstone project that tracks business data in Vermont.
- Worked with LaunchVT (local accelerator) and the Chamber of Commerce to help visualize their business data.

Vermont Apartment Data (03/2019 – Present)

- Built a custom web crawler to do a daily crawl of the Craigslist apartment listings.
- Use of MongoDB as a store and ReactJS for the client.
- Visualize the the current average monthly costs associated with renting an apartment throughout the state of Vermont.

Personal Portfolio Page (02/2019 – 02/2019)

- Utilized GatsbyJs, Styled-Components and Netlify to build and deploy a static portfolio page.
- Implemented SEO best practices.
- Leveraged the Github API to connect my recent repositories to the client.
